The figure is a detailed landscape site plan for a park. It features 18 numbered green islands (1-18) of various shapes and sizes, connected by a network of blue lines representing waterways or paths. The plan includes numerous circular callouts with codes (e.g., 1 AL, 2 ESE, 3 PP) and quantities, indicating the placement and quantity of specific plants. A 'Plant List' table is located in the bottom right corner, providing details for the plants used in the plan.
